

Hospital Room Posted Communication Sample for patients who cannot communicate their wishes because of stress or disability

ATTENTION: All Caregivers

Please Read

John does not speak but listens and understands much

John is blind and has been abused so he is frightened

Tell him who you are

Explain EVERY care prior to delivering

Pls turn often, as he gets bed sores easily

Keep HOB at least 45 degrees whenever possible

John likes to listen to rock and roll music.

NO psychotropic drugs

THANK YOU – GUARDIAN (Jane Doe #### #### ##### (phone number))
